Business Services

Business Guidance

Whatever the nature of your business, however large or small, our Commercial Team will provide you with good and clear legal advice.

That advice may make the difference between success and failure of a new business or ensure the continuation of an already successful business.

For new businesses it is essential to obtain early advice on all options available to you to ensure that your business starts and can be built from sound foundations.

We can advise you through the legal maze and also put you in contact with respected local Accountants, Tax Advisors or other advisors to provide you with all the expertise you need for your business.

We take pride in seeing businesses which we have advised prosper and grow.

Why Instruct Us?

We have an excellent reputation for giving sound and realistic advice. Being able to rely on a legal specialist who is an expert in this field is extremely important.

Due to our conveniently located offices, you have the opportunity to meet face-to-face with the expert dealing with your matter.

See us first for advice on:

- Company formations
- Partnership agreements
- Business development
- Terms of trading
- Business finance and re-finance
- Mergers, sales and acquisitions
- Employment and HR issues
- Contracts of all types
- Pensions
- Insurance
- Disputes in business

What Happens Next?

We've made it really easy for you to contact us by offering very flexible appointments to suit your needs.

At your first meeting with us, we will talk through your options and look at what you want to achieve.

How Much Will it Cost?

Depending on the circumstances of your matter, work maybe carried out on a fixed fee basis or charged at an hourly rate.

We will always make it clear from the outset as to the likely cost of your case and we will keep you fully informed should anything change that may affect this.
